

Member Benefits Roadmap

Last Update: August 30, 2026

Benefits of membership in AMSAT-CA are as follows:

Representation: Representation of the interests of Amateur-satellite enthusiasts towards government, industry, and other Amateur Radio groups.

Regulatory Advocacy: Regulatory advocacy to protect spectrum assigned to the Amateur satellite service, via established channels, both in a reactive and proactive manner.

Community: Access to a private Discord server and an e-mail list dedicated to members. Discord server features themed channels; and Elmers who receive discounted membership if they demonstrate sufficient engagement.

Local Mentor Matching: Matching novice members with knowledgeable, experienced mentors in their local community, via AMSAT-CA's extensive network of Amateur Radio operators.

Exclusive Access to Materials: Members receive exclusive access to slides, recordings and other materials provided by guest speakers, which will initially be invited to contribute technical talks to the Annual General Meeting of the organization.

Contribution to Technical Projects: Members get the opportunity to to work on AMSAT-CA's technical projects, and be part of a motivated and experienced group of individuals working towards a common goal.

Discounts: AMSAT-CA members receive a 10% discount on all merchandise purchased via the AMSAT-CA web store. This store will be established by H2 2026.

All of these benefits apply to Full members. Affiliate members benefit from Representation and Regulatory advocacy only. **Membership in AMSAT-CA does NOT include membership in AMSAT, the RAC, or any other domestic or international Radio Amateur club or AMSAT organization.**
